Betty's Briefs

Since March came in like a lion, we hope that it will depart like a lamb! We missed some of you last month, either you were lucky enough to be someplace warm or you were snow bound. We are hoping that Rea Wedekamm will be able to be with us in March after her fall and hip surgery.

After March there are only two months left in our year, but they are some of the busiest. This month's meeting will have us getting the collegiate alumnae invitations ready. In April we will be collecting for the Food Drive. In May we will have the installation of our next year's officers and the Spring Luncheon. To make this event a success will require everyone's energy and enthusiasm in support of Jill Koenig and her committee. Encourage attendance, have fun with your baskets and tables, and SELL- SELL-SELL those raffle tickets.

Invitations will be e-mailed to the delegates and alternates, and to alum association Presidents. Hard copies will be mailed to the past presidents of CAPA and to the board of directors of CAPEF as well as local representatives of NPC. PLEASE E-MAIL YOUR COPIES TO YOUR ASSOCIATION MEMBERS.

Go Tribe and Come on Sun and Flowers.

Loyally, Betty Williams
Kappa Kappa Gamma

What is an Alumnae Panhellenic ?

An Alumnae Panhellenic Association (APH) is a community based organization, affiliated with National Panhellenic Conference, whose membership is composed of representative alumnae from NPC member group fraternities.

Purpose of Alumnae Panhellenics:

To INFORM fraternity women of current trends
To PROMOTE the fraternity system
To IMPROVE the Panhellenic image
To STIMULATE a continuing interest in Panhellenic affairs

At this time, there are over 200 APHs in the US, Canada, and the United Kingdom. Based upon NPC policies, APHs set up their own organizations and carry out programs in line with their special interest or situations. APHs enhance the fraternity system through scholarship

awards, annual educational informational functions for prospective college freshman, philanthropic projects, community participation and civic leadership.

Last year, over \$435,000 was raised and granted in scholarships by APHs to over 580 women. If located in a college community, an APH can give valuable support to a College Panhellenic. Alumnae Panhellenics offer alumnae of the 26 member groups of the National Panhellenic Conference further leadership and social opportunities, beyond the college years. An APH represents an ongoing commitment of women to promote and foster the Greek experience.

NEWS TO NOTE

In January, the Eastside and Westside **Delta Gammas** met for the unveiling of this year's Aunt Hannah's at the Theta Beta house at CWRU. Alumnae members meet their senior collegian who they will mentor and socialize with until graduation. It is a wonderful way to introduce the upcoming graduates to the opportunities and friendships offered by an alumnae group. Periodically e-mails will be exchanged and small encouraging gifts will be given, and then in April prior to their senior installation the Aunt Hannah's will host a brunch. Well-wishes and encouragement is offered to each graduate in the hope they will be a vital and supporting member of Delta Gamma as another chapter of their lives unfolds.

Phi Mu celebrated its Founders Day with a luncheon on February 23rd for alumnae and collegians at the 100th Bomber Squadron. New alumnae chapter officers were installed with Rose Ray reprising her role as Cleveland Alumnae Chapter President and collegiate senior women receiving their senior gifts from the alumnae chapter. Shari Demby orchestrated this wonderful event.

Most of our College Panhellenic advisors recently attended the Midwest Greek Council Association Conference in Chicago. I know they are bringing back a lot of valuable information to share with the collegians and I hope we will soon hear some news about awards and recognition that occurred at the event!
